# 2017 SMCC CEU CAMP For Teachers

Monday, June 5, 2017 \$10

- **TechnoJournal** – 8:00-1:00 (5 hours) .5 CEU

Integrate journaling into creative writing, social studies, science, or other areas while teaching word processing basics with [Google Docs](#). Create front page covers, journal entries, share journals, and print journals as a booklet.

Tuesday, June 6, 2017 \$10

- **TechnoCandy** – 8:00-7:00 (10 hours) 1 CEU

Learn spreadsheet basics with [Google Sheets](#) as you track sales, record results, and graph the results of a candy sales fundraiser. Also, utilize the free Google Apps to create a report and package the candy with a logo. These free apps can be used in the classroom to enhance learning or for teachers to track important information from grades to candy sales.

Wednesday, June 7, 2017 \$10

- **TechnoToon** – 8:00-1:00 (5 hours) .5 CEU

Tell a story digitally with cartoons and comic strips using [Google Slides](#). Create a title slide, set the scene, create the action scenes, add transitions and animations before publishing your digital story.

Wednesday, June 7, 2017 \$20

- **The Art of Sculpey** – 9:00-3:00 (5 hours) .5 CEU

Unleash your creative side with this fun, easy to use polymer clay. Create beautiful Christmas ornaments, necklaces, gift tags, rear-view mirror crosses and so much more with Sculpey, a soft, pliable oven-bake clay. If you're looking for new classroom projects, fundraiser ideas or simply enjoy being creative, this class is for you. It's fun, easy and for all skill levels.

Thursday, June 8, 2017 \$10

- TechnoQuestionnaire – 8:00-1:00 (5 hours) .5 CEU
- **Amazing iPad Apps for Educators** – 2:00-7:00 (5 hours) .5 CEU

**TechnoQuestionnaire** – Build a questionnaire/survey using Google Forms. Learn how to build a questionnaire/survey, study the results, conduct a pre-test using Google Forms, and analyze the results. Learn how to use interactive Google Forms to engage student learning in the classroom.

**Amazing iPad Apps for Educators:** From greater student engagement to an expansion of the learning environment beyond normal school hours, gadgets can open new educational doors. From creating lesson plans and keeping attendance, to behavior records and communicating with students outside the classroom, these apps let teachers embrace tech instead of fighting it. **Bring your iPad** to learn how to turn your iPad into a wireless whiteboard, take notes, capture photos, create to-do lists, record voice reminders, poll your class, read books, and send reminders, assignments, homework, assessments, or motivational messages directly to students' and parents' phones. **\*\*\*THIS WILL REQUIRE AN IPAD.\*\*\***

Friday, June 9, 2017 \$60 .5 CEU

- **Basic CPR/FA/AED** - 9:00 - 4:00 (6 hours) Teaches student's critical skills needed to respond to and manage an emergency until emergency medical services arrive. Skills covered in this course include first aid; choking relief in adults and children. Also covers what to do for sudden cardiac arrest in adults and children. This course also teaches skills with the AHA's research-proven practice-while watching technique, which allows instructors to observe the students, provide feedback, and guide the students' learning of skills.
