Room Reservation Fees & Key Deposits

In order to reserve a residence hall room at SMCC, a student must complete the housing application and return it to student services with the reservation fee & room deposit.

The **room deposit** is \$50.00 for all residence halls. The deposit is refundable once the student properly checks out of the residence hall and the key is returned to the head resident.

The **reservation fee** is different for each residence hall. The room reservation fee for the women's residence hall is \$60.00. The fee in men's 1 and men's 2 is \$30.00. If the student wants to live in the newly built men's residence hall, Alford-Conerly, the room reservation fee is \$100.00.

Residence Hall students must be **enrolled in 12 traditional, on campus hours** to live in the residence halls. Online classes are not counted as part of the 12 hours. Schedules will be checked during the first week of school.

Students must have a **1.5 GPA** to be eligible for campus housing. Grades are checked before moving into the residence hall and they are checked between semesters. The failure to maintain a 1.5 overall GPA would result in dismissal from the residence halls.

Students are **required to purchase a meal plan** if they are living in the residence halls. Five day meal plans are automatically charged to the students account once they have turned in their housing application and fee. If the student would like to receive the seven day meal plan, the student should come to student services to make the changes. A five day meal is \$850.00 per semester and a seven day meal plan is \$1025.00 per semester. All meal plan changes should be made within the first two weeks of the semester.

Confirmation of room status will come from the Housing Department. Students will be allowed to move into the residence hall before classes begin. A letter will be sent to the student about move in times and it will be listed on the website. A student's housing application may be forfeited if the student is not completely moved into the assigned room by the first day of classes.

Students are expected to occupy their rooms until the end of the academic semester in which they are enrolled. Should a student decide to move out of the residence hall during the semester the **room rent is not refunded**. The meal plan is only refunded or partially refunded if the student moves out during the first four weeks of school. If the student moves out of the residence hall during the first week of school 100 percent of the meal plan is refunded, the second week, 75 percent; the third week, 50 percent; and the fourth week 25 percent. After the fourth week, no refund on the meal plan will be made. This process is listed on page 43 of the SMCC student handbook. The room deposit is refunded if the student properly checks out and the student has no holds in the business office.

Students must be at least 18 years of age to live on campus, unless given special permission by the Vice-President for Student Affairs. Request for special permission can be emailed to the Director of Student Activities & Housing at agray@smcc.edu.

Residence Hall students are expected to follow the rules and regulations found in the SMCC Student Handbook. If a student fails to follow these rules or college policy, the college reserves the right to revoke housing privileges.
