

POSITION ANNOUNCEMENT

Position: Utility Lineman Technology Instructor

Job Description: Southwest Mississippi Community College has an opening for a full-time Utility Lineman Technology Instructor. Primarily responsible for organizing and carrying out structured learning processes for students in the Utility Lineman Technology program. This position reports to the Associate Vice President for Career-Technical Education.

Duties and Responsibilities: Include but are not limited to:

- Plans and teaches Utility Lineman Technology classes and lab work as assigned.
- Develops, implements and evaluates student lab learning activities.
- Provides a positive role model for the students, especially in areas of caring, advocacy, respect for self and others, collegiality, ethical behavior, ethical reasoning, and strong work ethic (including responsibility, dependability, and accountability) and provides constructive feedback to students.
- Provides individual performance review and recommendations to students as needed; completes weekly evaluation on each student in shop/lab setting, and formally discusses and documents evaluations with students at least twice per semester.
- Evaluates student achievement in terms of course and program objectives or competencies, grades and returns students' written assignments in a timely manner, assigns grades for courses according to policies.
- Participates in advising of students regarding program requirements, career prospects, and college-wide issues; maintains appropriate office hours.
- Participates in the development, implementation and evaluation of the philosophy and objectives of the program.
- Participates in reviewing and revising the program policies and procedures on a periodic basis.
- Participates in the construction, implementation, evaluation and revision of the curriculum on a periodic basis.

Salary: Based on education and experience.

Qualifications: An Associate's degree or higher in Utility Lineman Technology, or in a comparable field is preferred. Class A CDL is required.

Experience: At least two (2) years of related practical work experience in Utility Lineman Technology field within the last five years. Teaching experience is preferred but not required.

Evaluation Criteria:

SMCC will use the following to evaluate each applicant:

1. Application and supporting credentials
<https://www.smcc.edu/media/SMCC--FACULTY-EMPLOYMENT-APPLICATION-JULY-2022.pdf>
2. Cover Letter and Resume
3. Transcripts (only if applicant is selected by the screening committee for an interview)
4. Personal interview (only if applicant is selected by the screening committee for an interview)

Contact: Send application, cover letter, resume, and transcript to Jennifer Knight, Human Resources, 1156 College Drive, Summit, MS 39666-9029, Phone: 601-276-3850, Fax: 601-276-4331, Email: hr@smcc.edu

Application Deadline: November 18, 2022
