Changing Pages

You can move from page to page one of two ways, depending on the book format. For books that allow continuous scrolling, scroll through pages and then jump to the next section using the previous and next buttons at the top and bottom of the content. For books that are paginated, turn the page using the left and right arrows.

Search Content

1. Click the search icon to open the panel. Here you can search for content in the book.
2. Enter a keyword or phrase into the search field and look for results below. Click on a result to be taken directly to that location in the book.
3. If results are found in your notebook, the notebook icon will appear below the search field. Click this icon to open your notebook and view your notes and highlights filtered by the keyword you entered.

The screenshot shows the 'Search Content' interface. At the top, there is a search bar with the text 'fiction' and a search icon. Below the search bar, there is a notebook icon and a 'Sort' dropdown menu. The search results are displayed in a list format, showing chapter titles and snippets of text. Callouts point to various elements: 'SEARCH' points to the search icon; 'ENTER KEYWORD' points to the search bar; 'NOTEBOOK RESULTS' points to the notebook icon; '# RESULTS IN THIS SECTION' points to the '(84)' next to 'Chapter 5: Poetry'; 'CLICK TO OPEN IN BOOK' points to a notebook icon next to a result snippet; and '# RESULTS' points to the '625 results' at the bottom of the page.
